

# K9 COMPETITION aloe vera conditioner

K9 COMPETITION is made of the best natural ingredients available on the market in order to make your wise environmental choice simple. The products have a calming effect on sensitive skin and scalps and do not irritate.

K9 COMPETITION FORMULA adds the active ingredients in perfect harmony in order to give nourishment, moisture balance and optimized coat quality. The products are easy to work with, disentangling and timesaving. They give the coat a shorter drying time and wonderful and long lasting results.

K9 COMPETITION is suitable for all kinds of pets, coats, breeds and puppies.

## ACTIVE INGREDIENTS:

### Aloe Vera (100% pure, certified)

Rich in minerals, vitamins, and enzymes. Often referred to as "the Miracle Plant".

#### Qualities:

- Anti-bacterial
- Anti-fungal
- Anti-inflammatory
- Anti-oxidant
- Counteracts redness
- Counteracts itching
- Counteracts dry skin
- Counteracts dry coat
- Nourishing for coats
- Nourishing for skin
- Gives natural lustre
- Calming effect on irritated skin
- Healing effect on wounds

### Wheat protein

#### Qualities:

- Closes the hair shaft
- Protects against free radicals
- Strengthens the cuticle layer of the hair shaft
- Promotes healthy skin and coat
- Strengthens the natural colour and lustre of the coat
- Softens the skin
- Vitalising
- Highly moisturising
- Conditioning with lasting effect

Research on humans has proved that the above active ingredients, when combined, have a synergistic effect for optimal hair and skin quality.

The carefully tried out formula gives the wonderful skin and fur quality that we aim for – for competition and for everyday use. The other ingredients are also plantbased and biodegradable and make K9 COMPETITION an environmentally wise choice.

### K9 COMPETITION CONDITIONER

is economical and highly conditioning. It gives the coat a beautiful lustre, makes it easy to detangle and has an antistatic effect. It optimizes volume and moisture balance. It is timesaving since it makes the coat easier to work with and dry more quickly.

### K9 COMPETITION CONDITIONER

suits all types of pets, coats, breeds and puppies.

### K9 COMPETITION CONDITIONER

can be diluted up to 1:40 in lukewarm water, or be used in concentrated form. Just keep in mind, if you dilute you dilute the active ingredients as well. Always use after shampooing for maximum and long-lasting results.

When diluting, try out what concentration is most suitable for your animal. For volume, dilute more and for body coats, dilute less. Rinse in cool water for less volume and in warmer water for more volume.

### D-Panthenol (Vitamin B5)

The most important "constructor" of the skin and the coat. The low molecular weight makes it vitalising for the skin as well as the hair follicles.

#### Qualities:

- Moisture balancing
- Strengthens the hair shaft from root to top
- Strengthens the skin
- Counteracts eczema
- Counteracts itching
- Counteracts peeling skin
- Counteracts fragile coat
- Gives natural colour and lustre
- Adds volume
- Counteracts hair loss
- Counteracts wear and tear
- Gives a natural quality to skin and coat
- Counteracts greying
- Makes the coat dry more quickly
- Makes brushing easier
- Repairs damaged and worn coat
